## Why Should You Join Workshop on IPO Analysis & Due Diligence

IPO Analysis & Due Diligence program is to equip participants with a foundational understanding of Initial Public Offerings (IPOs) in the BSE, NSE Main boards & SME segments. The program focuses on helping participants evaluate investment opportunities effectively, identify potential red flags, & make informed decisions. Through a combination of theoretical knowledge & hands-on case studies, this course aims to prepare finance professionals, investors, & business students to navigate the IPO process confidently & apply due diligence before applying for IPO offerings.

### Who is this program for

#### **Investors & Traders:**

Learn to analyze IPOs, assess risks, & make well-informed investment choices.

#### **Finance Professionals:**

Enhance skills in evaluating IPOs & performing due diligence for sound investment decisions.

#### **Investment Bankers & Analysts:**

Gain insights into the IPO process to improve market opportunity assessments.

#### **Finance & Business Students:**

Build foundational knowledge in IPO analysis, boosting career prospects in finance.

#### **Entrepreneurs & Startups:**

Understand the IPO journey & how due diligence impacts a company's public offering.
